This is a local experience and intended to be so. The private Apartment is a 5 unit building and is 40 plus years old. The street is very quiet, especially for local living. (there are unoccupied houses on the street)

The residents are older and will always greet you with a smile and a Buenos Dia in the morning, Buenos Tardes in the afternoon and Buenos Noches in the evening.

#### LAUNDRY

We are Happy to do your laundry for \$10 a load. Upon Request

local laundromat is within walking distance if needed.

#### BREAKFAST:

Fresh Juices and smoothies are available made by the owner. Menu to order will be provide at check

in.

As with a lot of buildings in Puerto Rico there no air conditioner. But the ocean breeze is DIVINE!!

This is a local pueblo, and every once in a while the water pressure may go low, PLEASE don't be alarmed and know that it will not last.

We have an electrical heated shower that is running by water pressure. It may go low for a short time but will come back on.

## Map

## About the neighborhood

Beaches: 14 miles of breathtaking, beautiful shoreline.

La Pared Beach: Just a minute from the house is Luquillo's town beach - La Pared (the wall). This is quiet during the week, but full of local families on weekends. If you face the ocean and walk to the left - you'll find less people. This is Luquillo's surfing beach.

'La Selva' - Nature Reserve Beach: Facing the ocean at La Pared - you'll see the two towers of Sandy Hills condominium to your right. Just walk over the rocks in front of the condos and you'll come to the North East Ecological Reserve. You can walk for miles to enjoy undeveloped beach and great birdwatching. Be aware of several inlets that you may have to wade across or swim if the tide raises during your walk.

## Getting around

Staying here at LoveSoulBeautiful Apartment you will appreciate and adore the local experience of a true island surfing town. Everything is in walking distance (steps away) from the local shops and 5 star delicious seafood and fun local bar with live music on the weekends.

Some guests have commented on the many unoccupied houses in the area on my street and between the plaza and the ocean. This is not unique to Luquillo - but more concentrated here. I will stress that it is SAFE.
